MARINE CORPS ORDER 3501.34

From: Commandant of the Marine Corps
To: Distribution List

Subj: INFANTRY TRAINING AND READINESS MANUAL (SHORT TITLE: INFANTRY T&R MANUAL)

Encl: (1) Locator Sheet

1. Purpose. To publish revised training standards and policies, prescribing a career continuum for Infantry units.

2. Cancellation. None.

3. Background

a. This manual reflects a holistic approach to training Infantry personnel with a standardized career-training plan. The individual training standards contained in this Manual supersede the Individual Training Standards listed in MCO 1510.35D and MCO 1510.98A. The collective training standards contained in this manual supersede the Mission Performance Standards listed in MCO 3501.3C. Those directives will remain in effect for approximately one year to support transition to the Infantry T&R Manual by the Operating Forces and formal schools. This Manual incorporates both individual training standards and collective training standards in a progressively more challenging, "building block" approach that leaders can use to develop both the individual abilities and the collective skills required of Infantry Units.

b. As a result of formatting the order in the "building block" approach for use in the operating forces, this order is not formatted in accordance with the guidance outlined in MCO 5215.1H.

4. Reserve Applicability. This Manual is applicable to the Marine Corps Reserve.

5. Certification. Reviewed and approved this date.
